

This new sponsorship is the chance to have Spin it to Win it, a mobile gameshow, hosted in your booth!

At the published time, the prize wheel will arrive in your booth with a host and sound system. As participants gather, they receive a raffle ticket making them eligible to win a chance to spin the wheel.

Three tickets are drawn and each winner gets the opportunity to spin the wheel for a cash prize ranging from \$100 to \$2,500. The game lasts approximately 15-20 minutes.

Before winners are drawn, you will have the opportunity to distribute samples, get on the mic and share your message with the crowd gathered for the game.

Your sponsorship includes the game show in your booth, the cash prizes and recognition of Spin It to Win It sponsorship on the Commodity Classic website and app and in onsite materials. Twelve sponsorships available.
