New 2019 exhibitors after the presell schedule (11/23/18) may sign-up at the appropriate time of their presell points (1 point per paid booth per year.)

The primary exhibitor contact has been emailed the link to access the 2020 floor plan and application and contract to submit at or after your assigned sign-up time as space is available.

Applications are NOT processed in advance of your presell date/time as availability will change based on companies signingup ahead of you.

Current exhibitors have first option to reserve space until the application and contract is posted publicly for new exhibitors May 15.

Confirmations and invoices for contracts finalized during this advance presell process will be emailed by late March with payment due by May 1, 2019
